Wine Specs

Our Signature Wine is produced from some of the oldest vines on the North Fork (circa 1983). Fermented entirely in stainless steel tanks, this wine is vibrant and crisp with notes of lemongrass, rose petals, and sugared lemon peels. After a finish of star fruit and green apple, there is a touch of sea spray.

Winemaker's Notes

An excellent growing season, the Summer of 2022 was hot, dry and near perfect. The lack of rainfall was unprecedented but mitigated by drip irrigation and a few much-needed rain events in September and October. Lower yields across the region but very high quality grapes. 1,060 cases made.
